

GCSE Maths Tutor (Self-Employed)

AQA Syllabus

Location: Hove, East Sussex

Hours: Flexible - up to 30 hours per week

Pay: £20-£30 per hour

About Us

My Tutoring Club provides high-quality small group tutoring (4-8 students) for pre-GCSE and GCSE subjects, as well as music. Our aim is to help students excel academically in a supportive, inclusive environment.

We are seeking a dedicated GCSE Maths Tutor to join our team. This role is an excellent opportunity to inspire students, help them achieve their potential, and make a tangible difference to their education.

Role Overview

As a GCSE Maths Tutor, you will deliver well-structured lessons in-person at our Hove location. Sessions will last one to two hours, divided into 20-30-minute segments. This approach is designed to keep students engaged, cater to various learning styles, and support those with Special Educational Needs (SEN). You will play a pivotal role in helping students master the essential mathematical concepts required for success at GCSE level, while also building their confidence and problem-solving skills.

Key Responsibilities

- Plan and deliver engaging and structured GCSE Maths lessons aligned with the AQA curriculum.
- Explain complex mathematical concepts clearly and effectively, tailoring your approach to students' needs.
- Help students develop key skills such as algebra, geometry, probability, and data analysis.
- Monitor progress through assessments, homework, and classroom activities.
- Provide constructive feedback to students and parents, highlighting areas for improvement.
- Incorporate teaching tools, such as visual aids, multimedia resources, and gamification, to enhance learning.

- Write detailed termly reports on each student's progress.
 - Maintain accurate records, including attendance and homework completion, using SLACK and Google Drive.
 - Foster a safe, inclusive, and encouraging learning environment in line with safeguarding standards.
-

Requirements

- A strong understanding of GCSE Maths, including familiarity with current AQA curriculum specifications.
 - A degree-level qualification in maths, education, or a related field is preferred.
 - Experience teaching or tutoring GCSE Maths; group tutoring experience is highly desirable.
 - Strong communication and presentation skills to make mathematical concepts accessible.
 - Confidence using online collaboration tools, such as SLACK and Google Drive.
 - Knowledge and experience with safeguarding children is preferred.
 - An Enhanced DBS check (own DBS preferred, though we can provide one if required).
-

What We Offer

- Competitive pay, with rates reflecting your experience and expertise.
 - Comprehensive training and ongoing support to help you succeed in your role.
 - The opportunity to inspire and empower students while working in a collaborative and professional environment.
-

How to Apply

If you're passionate about maths education and meet the above requirements, we'd love to hear from you! Please send your CV and a cover letter to tutoring@myhelm.club. Successful candidates will be contacted for a short phone conversation before being invited to interview in person.
