

GCSE Science Tutor (Self-Employed)

AQA Syllabus - Double Award

Location: Hove, East Sussex

Hours: Flexible - up to 30 hours per week

Pay: £20-£30 per hour

About Us

My Tutoring Club provides high-quality small group tutoring (4-8 students) for pre-GCSE and GCSE subjects, as well as music. Our mission is to support students in achieving academic excellence in a collaborative and inclusive environment.

We are seeking a passionate and knowledgeable GCSE Science Tutor to join our team. This role is ideal for someone who loves science and enjoys making complex topics accessible and exciting for students.

Role Overview

As a GCSE Science Tutor, you will deliver engaging and effective lessons in-person at our Hove location. Sessions will last one to two hours, divided into 20-30-minute segments to optimise focus and engagement. This approach is particularly beneficial for students with Special Educational Needs (SEN), as it helps reduce cognitive overload and supports a range of learning styles. You will cover key areas of the GCSE Science curriculum, ensuring students build a solid understanding of biology, chemistry, and physics concepts while developing their critical thinking and problem-solving skills.

Key Responsibilities

- Plan and deliver structured and interactive GCSE Science lessons in alignment with the AQA curriculum standards.
- Cover key scientific disciplines (biology, chemistry, and physics) and help students understand their practical applications.
- Support students in mastering experimental techniques, data analysis, and exam-style questions.
- Adapt teaching methods to cater to different learning styles and SEN students within the group.
- Monitor student progress through assessments, homework, and class activities.

- Provide constructive feedback to students and parents, highlighting strengths and areas for improvement.
 - Incorporate multimedia resources, demonstrations, and gamification to make lessons engaging and relatable.
 - Write detailed termly reports on student progress and achievements.
 - Maintain accurate records of attendance, homework, and progress using SLACK and Google Drive.
 - Ensure a safe and inclusive learning environment in line with safeguarding standards.
-

Requirements

- A strong understanding of AQA GCSE Science.
 - A degree-level qualification in a science subject or education is preferred.
 - Experience teaching or tutoring GCSE Science; group tutoring experience is highly desirable.
 - Excellent communication skills to explain complex concepts in an accessible and engaging way.
 - Confidence using online tools, such as SLACK and Google Drive, for planning and record-keeping.
 - Knowledge and experience with safeguarding children is preferred.
 - An Enhanced DBS check (own DBS preferred, though we can provide one if required).
-

What We Offer

- Competitive pay, with rates reflecting your experience and expertise.
 - Comprehensive training and ongoing support to help you succeed in your role.
 - The opportunity to inspire and empower students while working in a collaborative and professional environment.
-

How to Apply

If you're passionate about science education and meet the above requirements, we'd love to hear from you! Please send your CV and a cover letter to tutoring@myhelm.club. Successful candidates will be contacted for a short phone conversation before being invited to interview in person.
