

Pre-GCSE Maths Tutor (Self-Employed)

Location: Hove, East Sussex

Hours: Flexible - up to 30 hours per week

Pay: £20-£30 per hour

About Us

My Tutoring Club delivers high-quality small group tutoring (4-8 students) in pre-GCSE subjects, GCSE subjects, and music. We aim to nurture confidence, understanding, and academic progress in a supportive and inclusive environment tailored to each student's needs.

We are looking for a dedicated and enthusiastic Pre-GCSE Maths Tutor to join our team. This role involves guiding younger students in building a strong mathematical foundation that will support their future academic success.

Role Overview

As a Pre-GCSE Maths Tutor, you will deliver in-person sessions designed to introduce students to key mathematical concepts in an engaging and supportive manner. Sessions will last one to two hours, divided into 20-30-minute segments to ensure focus and effective learning, especially for students with Special Educational Needs (SEN). You will provide clear explanations, hands-on problem-solving opportunities, and targeted feedback to help students build confidence in their abilities.

Key Responsibilities

- Plan and deliver engaging, age-appropriate lessons aligned with pre-GCSE maths standards.
- Teach core mathematical concepts such as arithmetic, fractions, decimals, percentages, geometry, and basic algebra.
- Encourage problem-solving and critical-thinking skills through interactive exercises and real-world applications.
- Adapt teaching methods to suit diverse learning styles and support SEN students within the group.
- Monitor student progress through regular assessments, homework tasks, and class activities.
- Provide constructive feedback to students and parents, identifying areas for improvement and celebrating achievements.

- Incorporate multimedia resources, games, and activities to enhance learning and engagement.
 - Write termly progress reports for students, detailing their development and areas for focus.
 - Maintain accurate records of attendance, homework, and progress using SLACK and Google Drive.
 - Promote a safe, inclusive, and supportive learning environment in line with safeguarding standards.
-

Requirements

- A strong understanding of pre-GCSE maths topics and the ability to simplify complex concepts.
 - A degree-level qualification in a relevant field (mathematics, education, or similar) is preferred.
 - Previous experience in teaching or tutoring younger students; group tutoring experience is highly desirable.
 - Excellent communication skills to engage younger learners and instill confidence in their abilities.
 - Knowledge of SEN support strategies is advantageous.
 - Familiarity with SLACK and Google Drive for lesson planning and record-keeping is preferred.
 - Knowledge and experience with safeguarding children is essential.
 - An Enhanced DBS check (own DBS preferred, though we can provide one if required).
-

What We Offer

- Competitive pay, with rates reflecting your experience and expertise.
 - Comprehensive training and ongoing support to help you succeed in your role.
 - The opportunity to make a meaningful impact on young learners' academic journeys in a collaborative and professional environment.
-

How to Apply

If you're passionate about teaching maths to younger students and meet the above requirements, we'd love to hear from you! Please send your CV and a cover letter to tutoring@myhelm.club. Successful candidates will be contacted for a short phone conversation before being invited to interview in person.
